

# 3 Steps to connect your Facebook Fundraiser and your Lupus Research Alliance Page

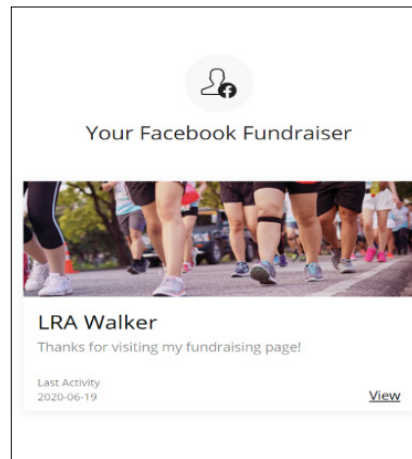

**Step 1-** Get started by visiting [walk.lupusresearch.org](http://walk.lupusresearch.org) and select the anyone can walk with us to cure lupus location. Click on Register. Once you register to Walk with Us to Cure Lupus, you'll immediately receive an email from the Walk with Us team to claim your fundraising page. Click through the claim link to launch your campaign!

**Step 2 -** Log in at the top-right of the page. Select Manage, and choose the Facebook tab

**Step 3** - Connect Facebook page to your Walk site page to share the updates. Stay logged in to your FB account during the integration process.

Monitor and manage your Facebook Page - it's here to help you raise money and awareness for lupus research.

## NOTES

- Please note that the Lupus Research Alliance (LRA) will not have access to any of your Facebook information, this request will only allow the two websites to “talk” to each other.
- The total from your Facebook fundraiser page will instantly be updated on both platforms.
- The following information will transfer from your LRA fundraiser page to your Facebook fundraiser page; The campaign’s background image, Your Fundraiser Name, Your Page Headline, Your Fundraising Goal, Your Fundraising End Date
- REMEMBER TO THANK YOUR DONORS ON FB - By launching your Facebook fundraiser through your fundraising page with LRA, you will be able to track and thank your donors easily!
